Agenda Items

Motion to Extend the Current Contract for Financing of Equipment Under a Master Lease Agreement for One-Year

Evie Whitley reviewed the motion which will allow Treasury to extend the current contract an additional year.

Discussion ensued.

Chairwoman Ganeriwala asked if there were any further questions. There being none, the Chairwoman asked for a motion to approve the Resolution. Mr. Chewning moved that the Resolution be adopted. Ms. Andersen seconded, and the motion carried unanimously.

Staff Reports:**Debt Management**

Ms. Whitley reviewed the Debt Calendar as of December 6, 2010, the Master Equipment Leasing Program and Virginia Equipment Leasing Program reports as of November 30, 2010.

Security for Public Deposits

Ms. Reiter reviewed the Security for Public Deposits report for the month ending October 31, 2010.

Ms. Reiter indicated that there were two undercollateralized banks who pledged additional collateral. For both of these banks, October was the second month in the last twelve months that the banks had been undercollateralized. Letters were sent to the banks explaining the seriousness of being undercollateralized (Attachment A). Ms. Reiter also provided the Board an update on changes in IDC ratings since last month.

Ms. Reiter reminded the Board that the annual open enrollment period in which banks can change the method by which they collateralize their public deposit balances had just ended. The open enrollment period extended from November 1st to December 1st. Three banks chose to switch their collateral method from pooled to opt-out for the calendar year 2011. Two opt-out banks chose to re-enter the pool beginning January 1st. Banks not responding keep the same collateralization method for calendar 2011 as they have for calendar 2010.

Ms. Reiter also reminded the Board that Treasury Board counsel, McGuire Woods, was in the process of reviewing the current Public Deposit Security Agreement used by the SPDA Program. The Board had requested this review earlier in the year. The Agreement contractually outlines the responsibilities of the Treasury Board, the qualified public depository, and the depository's escrow agent under the SPDA and provides the Treasury Board a perfected security interest in the securities pledged as collateral. McGuire Woods is completing its review of the Agreement and should be in a position to report its findings to the Board in January or February.

State Non-Arbitrage Program (SNAP)

Mr. Wilhide reviewed the SNAP report for the month ending November 30, 2010.

Investments

Mr. Wilhide reviewed the Investment Report for December 2010 and Local Government Investment Pool for November 30, 2010. Mr. Wilhide provided the Board with the Income Report for the General Account (Attachment B) and the Extended Duration Portfolio report. (Attachment C).

Ms. Andersen left the meeting at 10:25 a.m.

Chairwoman Ganeriwala asked if there was any further business to come before the Board. There being none, the Chairwoman asked for a motion to adjourn. Mr. Chewning moved the meeting be adjourned. Mr. Von Moll seconded, and the motion carried unanimously.
